# 2024

## Annual Report

# Our Mission

## We work to prevent substance misuse.

Vision: A world where people make thoughtful, intentional decisions about the health and wellness of themselves, their families, and their communities.

Safe and Sober works to prevent substance misuse by offering free, prevention-focused videos and curriculum to middle/junior high and high schools. It's also available to homeschool Co-op groups or individual homeschool families.

Students are given the opportunity to sign a pledge card, making a commitment to themselves, their parents, and each other to stay safe and sober.

Safe and Sober students have the opportunity to follow these principles:

- I will not drink alcohol until I'm at least 21.
- I will not drink throughout middle/junior or high school.
- I will never drink and drive.
- I will not use drugs or misuse prescription pills.
- I will not ride with someone who has been drinking or using drugs.
- I will not use any tobacco products, including e-cigarettes.
- I will surround myself with people who want the best for me.

# Growth in 2024: ENGAGING STUDENTS

## In February 2024, we held our first annual Student PSA Contest.

Students had 3 days to write, shoot, edit, and deliver a 30-60 second PSA following one of three prompts:

What's My Why?

Dear Parents.

How to Say No.

Safe and Sober partnered with Academy of Scholastic Broadcasting, a network of high school media programs. The objective of this campaign is to create awareness and prevent impaired driving as well as incentivize quality, student-produced content for Safe & Sober. The content created by the students could be leveraged with media placement within the State of Missouri and repurposed as content as needed by Safe & Sober in the future. The contest had cash incentives, including a first place reward of \$1,000 to be divided between the students and \$500 for the school's media program.

Although the first of its kind, this contest was a success. We had:

**327**  
entries

**299**  
registered schools  
from 41 states

**2.7**  
hours of content
